- 4.5 **Standards for Promotion, Continuous Appointment, and Salary Adjustment.** Each major administrative unit of the University shall prepare written standards that shall be used in making all decisions on promotions, awarding Continuous Appointments, and merit salary adjustments. The standards may be applicable to the entire major administrative unit or to appropriate subdivisions (such as colleges, schools, and departments) of a major administrative unit. The Chancellor of each major administrative unit is empowered to approve the content of the written standards and the scope of their applicability; provided, however, such written standards shall not include any right of appeal to the Board of Regents, and to the extent that any such existing standards do include any provision for appeal to the Board of Regents, each such provision is hereby repealed. After such approval, the written standards shall be published and disseminated to the faculties and staff and a copy shall be provided each appointee when appointed. Each written statement shall include standards relevant to the following areas of endeavor: teaching, extension work, research, scholarship, creative activities, and service. - 4.6 **Evaluation of Faculty Performance: Procedure.** Each major administrative unit, or appropriate subdivision thereof as stated in Section 4.5 of these *Bylaws*, shall establish procedures for gathering relevant information from all sources, including student evaluations and peer judgments, as part of an annual review of faculty performance in relation to the standards established under Section 4.5. Individual faculty members shall have the opportunity to submit materials deemed relevant to their remuneration and status as a part of the annual review, or as such information becomes available. When appropriate, the judgment of others in each faculty member's specialized field of competence may be included in a review. Faculty members shall have access to all material submitted for their evaluation and the opportunity to respond in writing.

The annual review shall be considered in determining merit salary adjustments, promotions, and for awarding Continuous Appointment. The results of the review will be communicated to the individual faculty member.

4.7 **Administrative Leave of Absence**

- 4.7.1 **Applicability of Leave.** On occasion, an administrator may need to place an individual holding an academic appointment (defined herein as faculty members holding the academic rank of assistant instructor and above, or other formally approved ranks, as referenced in Section 3.1.1.1 of these *Bylaws*

follow as referenced in Section 3.1.1.2), on a temporary, paid administrative leave of absence (hereinafter referred to in this section as “leave”) while the University reviews whether (a) the individual’s presence in the workplace presents a significant risk of harm to the individual, to others within the workplace, or to University property or facilities, or (b) such leave is necessary to protect University resources, prevent the destruction of evidence, or avoid continuing violation of a policy while an investigation is being conducted into whether that individual has engaged in misconduct in violation of University policy. Leave will not be imposed in a manner that is inconsistent with the principles of academic freedom or used as a means of disciplining individuals for exercising rights guaranteed

duties during the leave, a summary of the process for responding to or addressing the allegations giving rise to the leave, and the circumstances under which the leave is anticipated to end. Expectations and evaluations of the individual's work performance while on leave must be compatible with the terms of the leave.

- 4.7.3 **Duration.** A leave will be limited in duration to the shortest period necessary to fulfill the purpose of the leave and will be subject to the reinstatement requirements set forth in Section 4.7.4 below. Accordingly, an individual who has been placed on leave due to significant risk of harm must be returned to duty as soon as the risk has been alleviated. Similarly, an individual who has been placed on leave for investigative purposes must be returned to duty upon the conclusion of a timely completed investigation. If the investigation results in the initiation of disciplinary proceedings against the individual, the administrator must file a complaint as specified in Section 4.15 (Academic Freedom and Tenure Committee) or Section 4.16 (Professional Conduct Committee) of these *Bylaws* and the ability and authority for the individual's continued removal from duty will be governed by the policies addressing those disciplinary proceedings.
- 4.7.4 **Reinstatement.** An individual placed on leave will be reinstated to his or her position upon the expiration of the leave. A leave cannot extend more than ninety (90) calendar days without additional review by a faculty committee and, if necessary, a threat assessment committee. If the administrator believes that the initial leave needs to be extended for a period of up to an additional ninety (90) calendar days, the administrator will follow the procedures specified in Section 4.7.2 for imposing a leave. The leave will be extended automatically if the administrator initiates formal disciplinary proceedings against the individual as specified in Section 4.15. (Academic Freedom and Tenure Committee) or Section 4.16 (Professional Conduct Committee) of these *Bylaws*.
- 4.7.4.1 **Expiration of Appointment While on Leave.** A leave imposed through the end of the appointment period is a termination for cause and requires the President or the Board of Regents to file a complaint with the Academic Freedom and Tenure Committee under Section 4.15.2(b) of these *Bylaws*. The period of the individual's appointment need not be extended beyond the appointment end date. If the individual would like to waive their right to a termination hearing, then they may do so in

Before any termination for cause may occur, it shall be necessary to submit the matter to the Academic Freedom and Tenure Committee in the manner provided in Section 4.15.2.

4.13 **Termination of Appointments for Financial Exigency or Because of Discontinuance of a Program or Department: Time.** When any type of appointment is terminated because of financial exigency or discontinuance of a program or department, whether the termination is effective on or before the date stated for termination in the written appointment contract, the University shall give notice of termination as soon as possible, and shall make reasonable efforts to notify persons twelve (12) months prior to the effective date of termination. In such a case the released faculty member's place will not be filled by a replacement within a period of two years unless the released faculty member has been offered reappointment and a reasonable time within which to accept or decline it.

4.15 **Academic Freedom and Tenure Committee.**

- 4.15.1 **Academic Freedom and Tenure Committee: Creation.** The faculty governing agency of each major administrative unit shall create an elected faculty Committee on Academic Freedom and Tenure, which shall have the powers specified in these *Bylaws*, and any other powers granted by the faculty governing agency and approved by the Board.

Votes on substantive matters relating to the faculty member's professional competence shall be by secret ballot. The report of such meeting, in the form of approved minutes containing a summary of the matters discussed and the votes taken, shall be forwarded by the administrator to the Chancellor for transmission to the President.
- (3) If the Board or President has determined that an investigation should be made, the President shall employ an attorney to make the investigation and report to the President if he or she believes reasonable cause exists for termination of the appointment. Before any such hearing is granted, showing shall be required that there is additional relevant evidence that has been discovered, or has developed, or which could not be produced at the prior hearing; that the same was not available at the prior hearing and could not have been discovered or produced by reasonable diligence.

Salary will continue during any leave period and an assignment to other duties shall not diminish a staff member's salary.
- (j) The Committee shall have power to consider a request filed by any person, board or committee that alleges that a staff member should be subjected to sanctions less severe than appointment termination, and power to recommend in any case sanctions less severe than appointment termination where less severe sanctions seem appropriate.
